Type: Navigating Our Public Schools Conference

## PURPOSE AND GOAL

Navigating Our Public Schools is an interactive, highly productive experience for parents, educators and ministers. There will be knowledge presented, opportunities for processing and collaboration with others and guided strategic planning time. Come ready to examine what is, imagine what could be and create plans for what will be your next steps as parents, ministers and educators to engage the largest mission field in America- the public schools!

**Quality Breakout Sessions**  
**Purposeful Collaboration**  
**Helpful Resources**  
**Be Encouraged**  
**Be Challenged**  
**Leave Engaged**
