Dr. Tim Parson is an inspirational veteran educator and pastor in Cumberland County, Kentucky. He currently serves as Director of Pupil Personnel and Special Education Director. Dr. Parson is also a consultant to the Kentucky Department of Education to help spread Digital Tools across the state. He loves people and longs to see educators, empowered by the Holy Spirit, teach with boldness and courage, living out their calling well.

In 2015, Dr. Parson began pastoring Centerpoint Church, a new church plant. After 3 years the church has grown to be the largest church in Burkesville with a new church building opening in the spring of 2019.
