LIFT America gatherings are designed to gather, encourage, empower and equip Christian educators who work in communities all across America.

- As we **gather**, worship and pray together, we discover we have a common source of strength and inspiration in Jesus Christ.
 - As we **share a meal** together and discuss the challenges we face as followers of Christ working in public schools, we discover we are not alone.
 - As we **share our stories** about how God is moving on our campuses, we discover new inspiration and passion to let God use us as His lights in the world.
 - As we **learn what we can do legally regarding issues of faith** and become aware of the support and counsel available to us, we discover new courage and boldness to take Jesus beyond the parking lot and onto our campuses.
-

LIFT America gatherings provide an extraordinary opportunity to come together with others like us who love God and care about kids.
