

**SPEAKER**

Phil lives in Hartford and has been involved in The Hartford Project for ten years. He has served with THP in a variety of ways, including attending THP as a high school student and as a youth leader. Today, he serves as the Interim Program Director. Over those years, the Lord has given Phil a vision for strengthening the Church in its unique gifts and talents, so that the People of God can be ambassadors in whatever context of life they live. THP is a tool for students to find purpose and see more ways of God moving, while blessing the city we live among. Phil also worked as a community planner for five years, bringing a perspective of community empowerment to the work of the mission.
